Purchase Price + Tax: \$3,217.50

Purchase Price - Deposit: \$2,717.50

Balance Due: \$2,717.50

Balance of purchase price due when picking up your puppy. Highest Kennels, INC. reserves pick of your puppy in the order deposits are received. Puppies not able to go home at the scheduled time are subject to an additional boarding fee.

Highest Kennels, INC. is dedicated to the improvement of the Labrador Retriever breed. All reasonable precautions are taken to prevent hereditary defects by performing health clearances on our Sires and Dams as listed on our website. Research on pedigree, health clearances, and disposition are also done for present producers. Puppies whelped by Highest Kennels, INC. carry a twenty-six-month hip, elbow, and eye guarantee. Your pup's hips and elbows will be free of hereditary hip and elbow dysplasia, certifiable by the Orthopedic Foundation for Animals (OFA). Eyes will be free of congenital eye problems, certifiable by the Canine Eye Registration Foundation (CERF). Your puppy is guaranteed to be "not affected" for EIC (Exercise-Induced Collapse), CNM (Centronuclear Myopathy) & PRA (Progressive Retinal Atrophy) by genetic testing of your pup's Sire and Dam.

ALL PUPPIES FROM THIS LITTER WILL BE REGISTERED WITH LIMITED REGISTRATION UNTILL HEALTH PROVISIONS ARE MET.

AKC Limited Registration allows an owner to participate in all AKC events except Conformation. If the owner decides they would like to breed their dog and register the offspring with AKC, the following requirements must be met for Highest Kennels, INC. to sign off on Full AKC Registration:

- Pup must be two years or older.
- Owner will provide copies of OFA Hips, Elbows, Eyes, EIC, CNM, PRA, & D Locus Clearances OR UC Davis Genetic Labrador Panel-2 (<https://vgl.ucdavis.edu>)
- Owner requires the same health clearances on any dog said pup would be bred to.
- Owner agrees to register their pup using the kennel name "Highest" in the prefix of the dog's registered name.

Once these requirements are met, Highest Kennels will change your dog's Limited Registration status with AKC to Full Registration.

Twenty-Six Month Health Guarantee Refund for Hips, Elbows, and Eyes. A full refund of original purchase price will be given upon meeting the following conditions:

- X-rays to support hereditary hip or elbow dysplasia must be taken before twenty-six months. Bitches must not have been x-rayed within one month of their heat cycle.
- Written documentation is required from two certified Veterinarians. The second certified veterinarian will be of Highest Kennels, INC. choosing.
- Copies of preliminary x-rays or OFA x-rays and results must be received within thirty days of diagnosis. Eye exams from a licensed Canine Ophthalmologist must also be received within thirty days of diagnosis.
- Dog must have been maintained in a healthy physical condition, been exercised regularly, not be overweight, nor have suffered at any time a trauma to the hip or elbow area. Dog must not have been allowed to jump in or out of high areas. **Guarantee does not apply to a dog that can't pass OFA certification due to injury or nutritional deficiency.**
- The dog must not have been bred at any time prior to findings.
- Dog must be owned by the original buyer.

Highest Kennels, INC. guarantees that your puppy is in good health for fifteen days after the date of delivery. Each puppy has been examined by our Veterinarian and given a puppy wellness examination.

Pups have received their first distemper/parvo vaccination, have had their declaws removed, and been microchipped. It is your responsibility to have your own Veterinarian examine your pup within seventy-two hours of delivery.
